WHY CHOOSE US?

FELSENKRAFT TECHNOLOGIES is a pioneering supplier of industrial instrumentation equipment and IoT-based automation solutions. Based in Hyderabad, we are an emerging industrial solutions firm, backed by extensive expertise in industrial sales, service, and consultancy.

WHAT WE DO?

- one Stop Industrial Solutions.
- Fields Instruments and & Valve Packaging
- In-House Field Instruments Automation.
- Home Automation.
- IoT Smart Factory Solutions for Plant Optimization.
- Panel Design & Digitalization
- Instruments Calibration
- Customised Machine Design/ Development

By Collaborating closely with some of the most well-known manufacturers in the industry, Our ability to provide a one stop sales and service solution further strengthens our commitment to your success with the latest and most innovative products

MANUAL VALVES

Type: Ball, Butterfly, Gate, Globe, Check, Plug, Needle, Diaphragm, Flush Bottom, SRV, PRV.

Size: 0.5" to 112", Pressure Rating: 150# to 2500# & PN 6 to 40.

End Connection: Flanged, Welded, Threaded.

MOC: CI, CS, Alloy, SS, DSS, Inconel, Monel, Brass, PTFE/PFA Lined.

Certifications: API, IBR, Fire-Safe, NACE, FET, Vacuum Seal, Oxygen, BS & ISO.tt

ON-OFF VALVES

Type: Ball, Butterfly, Gate, Plug.

Size: 0.5" to 36", Pressure Rating: 150# to 2500#

Operation: Pneumatic, Electric & Hydraulic.

MOC: CI, CS, Alloy, SS, DSS, Inconel, Monel, FE/PFA Lined.

Certifications: API, IBR, Fire-Safe, NACE, FET, Vacuum Seal, Oxygen, BS & ISO.tt

CONTROL VALVES

Type: Globe, Butterfly, V-Notch, Segmented, Eccentric Plug.

Size: 0.5" to 112", Pressure Rating: 150# to 2500#.

Operation: Pneumatic, Electric & Hydraulic.

MOC: CI, CS, Alloy, SS, DSS, Inconel, Monel, FE/PFA Lined.

Certifications: API, IBR, Fire-Safe, NACE, FET, Vacuum Seal, Oxygen Clean, BS & ISO

VALVE AUTOMATION

VALVE AUTOMATION

Dive into the heart of our Valve Automation solutions. where our in-house facility is dedicated to providing a comprehensive range of services. From meticulous assembly and rigorous testing to precise calibrations. We ensure that each Valve meets the highest standards of performance. Our commitment doesn't end there we go the extra mile with valve servicing and refurbishing ensuring the longevity and optimal functionality of your critical equipment.

Beyond Valves, our expertise extends to a diverse array of accessories designed to enhance and complement your automation needs. Explore our Air Filters Regulators (AFR) For maintaining clean and regulated air supply, solenoid operated valves (SOV) for precise control, limit switches (LMS) for accurate position detection , and dynamic positioners and Actuators to further augment the efficiency and responsiveness of your systems.

TRANSMITTERS

Pressure : Absolute, Gauge, Differentials

Flow Meters: Magnetic, Vortex, Mass, Turbine, Orifice & PD Meters

Level: Ultra-Sonic, Guided-Wave Radar, Hydrostatic

Communication: 4-20mA HART, FOUNDATION Fieldbuds.

Area Classifications: Intrinsically safe, Ex-Proof, Flame Proof, ATEX.

ANALYSERS, LIQUIDS & GASES

Liquid: pH, ORP, Conductivity, DO , Turbidity, COD/BOD, TSS

Gases: CO, CO2, SO2, NOX, DUST

Communication: 4-20mA HART, FOUNDATION Fieldbuds.

Area Classifications: Intrinsically safe, Ex-Proof, Flame Proof, ATEX.

RTD's, GAUGES & SWITCHES

RTD: Pt100, 3/4 wire, Type J, Type K, Miniature.

Gauges: Pressure, Temperature, Level & DP Gauges.

Level Switches: Side Mount, Top Mount, Displacer.

Flow Switches: Paddle, Piston / Shuttle

INDUSTRIAL AUTOMATION

Our expert team specializes delivering cutting-edge industrial automation solutions. from PLC programming to advanced control systems. we orchestrate seamless automation work flows. Trust us to elevate your operations with state of the art technology and personalized automation strategies.

INDUSTRIAL IOT

Elevate your buildings intelligence with our building management systems (BMS) and Energy Systems (EMS) seamlessly integrated with IOT Technology. Transforms spaces into intelligent ecosystems with our advanced solutions. Ensuring sustainability and smart connectivity at every level.

OUR ASSOCIATES

Felsenkraft Technologies PVT.LTD

H No 1-3/1, Kannala, Basanth Nagar, Peddapalli,
Telangana, 505187

Operations Hub : Hyderabad, Sricity, AP, Chennai, TN
